Space:Maker Mirrorline™

FRAMELESS SLIDING WARDROBE MIRROR DOOR SYSTEM

Exceptional Value

Indulge your imagination and create an absolute premium frameless wardrobe design at a surprisingly affordable price.

Features

- Minimalist Frameless appearance.
- Large 41mm diameter rollers and brackets for quiet operation and ease of adjustment.
- Design-registered anti-jump tracking device prevents door panels from jumping off the track.
- Matching infill buffers on grip stile.
- Foot-friendly, easy-to-clean track
- 10-year guarantee on frame and components.
- **Space:Maker Mirrorline™** represents a variation of the Australian Good Design Award winning **Space:Maker Softline™** Sliding Wardrobe Door System.

Design Flexibility

Made to suit your individual requirements.

Space:Maker Mirrorline™ Frameless Sliding Wardrobe Mirror Door Systems are suitable for either wall to wall, freestanding or corner return installations.

Constructed from the highest quality Australian made aluminium extrusions **Space:Maker Mirrorline™** is designed to suit most situations and ceiling heights up to three metres.

Please Note: Bracing of door panels may be required for oversize applications.

Low Profile Bottom Track

Space:Maker Mirrorline™ features a foot friendly unobtrusive, low profile bottom track, which is easy to clean. Roller side play is virtually eliminated, producing a smoother sliding operation.

Modern Contoured Cushioning

Matching infill buffer with panel stile eliminates metal to metal contact and gives **Space:Maker Mirrorline™** a contemporary, frameless appearance.

Perfectly Secure Panels

An anti-jump feature, which is incorporated in the design-registered head channel spacers, ensures the door panels cannot jump the track and are perfectly aligned providing quiet rattle-free operation at all times.

Handle Selection

A selection of subtle, low profile mirror and stainless steel handle options complete the frameless appearance.

Support Bracket

Space:Maker Mirrorline™ door panels are able to be structurally braced for oversized applications. Hidden support brackets ensuring safety and structural integrity of oversized door panels is maintained at all times.

Panel Variety

Space:Maker Mirrorline™ is available in clear or tinted anti-shatter safety backed mirror panels and a wide range of coloured safety glass panels.

Whisper Quiet Roller Operation

Large 41mm diameter roller housed in a strong galvanised metal adjustment bracket, ensures ample roller adjustment and whisper quiet operation at all times. Open design and construction reduces dust accumulation and enables easy cleaning.

Safety

Space:Maker Mirrorline™ Frameless Sliding Wardrobe Mirror Door System is glazed to comply with the requirements of Australian Standards AS1288 and or AS2208.

Product Guarantee

Space:Maker Mirrorline™ components and frames carry a 10 year guarantee when used under normal operating conditions.
